State vs Barsky

Case Number:  
(if known)

MOTION FOR: Freedom of the Press

The press; Cheshire TV, Free Keene, Free Talk Live, Free Minds TV, OTN  
states the following facts and requests the following relief:

Milford Court has consistently denied our access to the court  
and its facilities.

State court rules specifically allow media, yet this court, along  
with Keene and Dover have been in clear violation of your  
own rules.

The media entities above are considering bringing criminal charges  
against all state actors complicit in denying our rights.

We would prefer not to, however, and would rather you simply allow  
the press to record without ~~the~~ unreasonable interference.

Please allow video and audio recording so we can avoid further conflict.
