

Is Liberty dying where you live? **Escape to Keene!**

- Liberty-oriented individuals are converging in New Hampshire as part of the Free State Project, and Keene is a hot destination.
- From social events to civil disobedience, noncooperation, outreach, media, and politics - the liberty community here is outstanding! Your new friends and family are waiting for you here in the Keene area!
- Keene is the perfect size - small enough to be walkable, but big enough to have the amenities of a city. Prefer a rural scene? We have that too.
